Hessle West Open Gardens Update

Because of the rapid and alarming increase in COVID cases locally we have decided NOT to proceed with Hessle West Open Gardens provisionally arranged for Sunday 12th September 2021.

We appreciate that this will be a disappointment to many people locally, but the health and well being of both our gardeners and visitors has been paramount in reaching our decision not to open this year.

Let us hope that we will be able to welcome you all into our gardens again in Spring 2022

*Anne & Derek Haines and Edwin Benton
Joint Co-ordinators.*

Customers in East Riding of Yorkshire among Britain's top energy switchers

Customers in the East Riding of Yorkshire are among Great Britain's top energy switchers, with one in four of them changing their supplier in 2020, new figures have revealed.

The figures, published by Energy UK's Energy Switch Guarantee, show that the East Riding of Yorkshire is second in a table of the top areas in Great Britain for the most energy switching activity last year.

The local authority rankings are ordered by the percentage of properties that switched electricity supplier between January and December 2020.

Last year, East Riding of Yorkshire Council's YORSwitch scheme switched 5,234 households, saving East Riding residents more than £1million.

Since the scheme began in 2013, YORSwitch has helped more than 36,000 households switch their energy tariffs, with savings of over £7.6 million.

The YORSwitch round opens for registrations on Tuesday 3 August, with an auction held between suppliers on Tuesday 12 October, then with the opportunity to switch to the winning supplier, until late November 2021.

Councillor Chris Matthews, portfolio holder for environment and climate change at East Riding of Yorkshire Council, said: "Residents still have time to register for the latest YORSwitch round. Now is the best time to fix your energy tariff. Switching through YORSwitch, to the winning supplier which is Shell Energy, is expected to save residents money in the long term."

To register for the latest YORSwitch auction, visit www.eastriding.gov.uk/yorswitch or, alternatively, call 01482 393939.

3 Charities, 2 Coasts, 1 Day

Humber Bridge Sportive/P.A.U.L. For Brain Recovery

For the 2nd year running we were unable to hold the Humber Bridge Sportive, and consequently, our charities again missed out on an estimated £20,000. In an attempt to salvage something from the disappointing cancellation, I had what I thought was an excellent fundraising idea - to ride from Morecambe to Bridlington, otherwise known as the Way of The Roses. What's more, I reckoned it would be more of a challenge to ride the 170 miles in 1 day fool!! As reality began to bite, the enormity of the challenge started to take on worrying proportions!

Co-founder of the HBS and cycling guru, Andy Cawley, signed up/had his arm twisted for the ride; we were also joined by Paul Spence, a man who can never say no to a challenge, together with another 4 intrepid/mad - take your pick cyclists! Our aim was to split the monies raised 3 ways:- P.A.U.L for Brain Recovery, Macmillan Cancer Care in Yorkshire, and Emmaus Hull.

170 miles and over 9,000 feet of elevation was uncharted territory for most of us, but spurred on by the fear of not accomplishing what we had set out to do, and motivated by a terrific spirit within the group, not forgetting our support drivers, Paul and Jim, we rolled onto the North Promenade in Brid having spent a total of 11 hours 1 minute on the bike, consumed an outrageous number of calories, and suffered not 1 single puncture!

I'll be extremely careful in future to keep ridiculous ideas to myself, but nonetheless, thanks to the generosity of the local business community, the amazing support of friends and family, this ride generated a whopping £6,600, which for sure made the sweat, tears, and some blood, all worthwhile!! We are looking forward to presenting our charities with the proceeds, and can be sure that the money will be put to good use as they continue to do amazing work within our community.

Ian / Andy / Paul

HESSLE TOWN COUNCIL UPDATES

Tower Hill Memorial Park

The Town Council are progressing towards a hand over of management of this green space from East Riding of Yorkshire Council. We are working closely with interested parties including the Hessle branch of the Royal British Legion. If you have any ideas for the park or interested in joining the working party please contact the Town Council on:

htc@hessletown.karoo.co.uk

or telephone 01482 648566.

East Riding of Yorkshire Community Tree Grant

following the success of last year's application the Town Council will be applying for another grant - if successful, the funding will be used to plant trees in Hessle. The decision on suitable areas is made in conjunction with ERYC officers and it is hoped that re-planting will go some way to replace the trees which have been lost through development.

Litterati Group

The Town Council have provided the Litterati group with stickers which are placed on the bags of litter members have collected. Upon collection this makes them clearly identifiable to ERYC, which then helps them identify bags which have been fly tipped and require further investigation by Street scene Enforcement.

Litter Bins

The Council continue to fund the purchase and installation of litter bins, 32 having been installed over the last 6 years. If you have any suggested locations please email htc@hessletown.karoo.co.uk and these will be considered by the Environment & Opens Spaces Committee.

Floral Displays

Over the coming months the Town Council will be looking at expanding the floral displays in the Town, with the installation of new planters.

Flag Pole

Due to damage, the Town Council have replaced the flag pole in the Square.

Website and Notice Boards

The newly developed Town Council website is now up and running and being updated on a regular basis. We are able to include much more information on Community groups and events so, if you have any information you'd like including please email htc@hessletown.karoo.co.uk. We have a couple of newly refurbished notice boards, Swanland Road, Cemetery Corner and Northholme Road the council will be looking to replace or refurbish most of the remaining boards over the coming years.

Hessle Market

Sadly the pandemic put an end to the market, however the Town Council are working with partners to bring this back.

Poppy Display

A very big thank you to all of you who have been busy knitting poppies for our display, we have over a 1000 poppies, which over the next couple of months will be attached to the netting which will then be installed outside the Town Hall for the period of Remembrance. We would like to pass on special thanks to Margaret Joy and Mrs Joyce Watkinson who have worked tirelessly producing poppies for us.

Margaret has knitted a whopping 470 poppies and Joyce has been busy filling her days in isolation, following a period of hospitalisation by knitting for us. We understand from speaking to residents that this project has been a welcome distraction over the last 16 months and has helped many people get through the periods of lockdown and isolation

It is hoped that this installation will be on display outside the Town Hall from the beginning of November.

Chairman's Awards 2020

The ladies from the Epilepsy Shop, Mrs Dawn Bullock and Mrs Diane Wharram have finally received their 'real' award from the Chair of the East Riding of Yorkshire Council. Well done ladies

Dates For Your Diary

OLDER PEOPLE'S PARTNERSHIP EVENT TOWN HALL

Wednesday, 29th September 2021

Brings activities for older people together to help support their physical and mental wellbeing for more information email info@olderpeoplespartnership.org.uk or telephone 07976 607058.

KGV Playing Field, Hessle Sunday 21st August 2022
for further information see publications nearer the date

HESSLE SCARECROW TRAIL

Over the week 15th -23rd May, Hessle was over-run with Scarecrows of all shapes and sizes! Cllr Jayne Langdale organised Hessle's First Scarecrow Trail which was a great success. The event was very well supported by both entrants, of which there were over 150 and visitors and certainly put smiles on the faces of all those involved, which was great, especially after the most difficult year. Cllr Langdale is hoping to build on this by organising a Halloween Scarecrow Trail - watch out for the posters. See some of the photos from the event later in the magazine. For further information contact Cllr. Jayne Langdale on jayneowl77@gmail.com

Suffered STROKE?
LEARN HOW TO RECOVER!
Regain strength and functional control

The ARNI Institute was founded in 2001 by Dr Tom Balchin to help stroke survivors rehabilitate, gain independence and to cope.

ARNI has 170 specialist neuro-instructors around the UK available to people who have been discharged from hospital and/or are living in the community.

ARNI is a very low-cost service which aims to help stroke survivors to improve and families to manage.

There is an ARNI neuro-instructor **IN YOUR AREA, RIGHT NOW**, available to come to your home to work with your loved one.

HESSLEWIDE

& The Willson and Chamberlain Foundation

Struggling to make ends meet?
Emergency at home?
Can we help?

The Hesslewide Trust is a body available to help and support individual persons who may require financial assistance to help with matters arising of an urgent or pressing nature.

We can only assist individuals (not groups) in the purchase of specific items. Unfortunately we cannot give help in lieu of any service which ought to be provided by either the Local or National Authorities.

Our catchment area covers the old parish of Hessle, covering the whole of Hessle and parts of Anlaby Park, Anlaby Common and Pickering Park, so if you live in this area you may qualify for a grant.

Please get in touch to see if you might be eligible –

The Clerk to the Trustees, Hesslewide Trust, c/o Mrs G. D. Searby, 384 Boothferry Road, Hessle, HU13 0JS – searbygail@yahoo.co.uk, 01482 643270.

Are you or someone you know looking for a career change? Have you ever considered a career in care? At Home Instead we truly value all the amazing work our CAREGivers do. Their work enables people to stay in their own home and remain as independent as possible. One such person making a huge difference is Julie, we asked her what her experience of working as a Home Instead CAREGiver has been.

"I had never been a CAREGiver before, but then I saw the advert for Home Instead. From my first call with them I was hooked on the company and the way it worked. I like the way I am matched to the clients that my abilities are best suited to, and that we are not rushing from client to client. I receive great support from the office and all the other CAREGivers. You maybe surprised at what you can achieve by working as a CAREGiver but until you give it a try you will never know. I know since becoming one I haven't looked back"

Do you want to care like Julie? We offer competitive rates of pay, which includes mileage and waiting time, free training, other benefits include a good work life balance, competitive hourly rate and generous rewards for all your hard work. If you would like to join our team please apply through our website <https://www.homeinstead.co.uk/beverley-hull/vacancies/>. We look forward to hearing from you.

HESSLE SHORT MAT BOWLING CLUB

AT HESSLE TOWN HALL

Not thought of bowling before? Why not come and join us at Hesse Town Hall and give it a try. Social bowling is held on a Monday, Wednesday and Friday afternoons from 1.30pm-3.30pm We offer very convivial company with tea/ coffee and biscuits thrown in!

- All ages are welcome, doesn't matter if you've never played bowls before
- Come and meet the members, see what the game is all about and have a go
- The object is to enjoy yourself
- Tuition and equipment can be arranged
- To protect the mats, smooth flat soled shoes are worn, but bring slippers initially.
- You may find yourself with a new interest and skill

Norman / Carol – 640385, Mike – 643734*

DOG FOULING – PICK IT UP AND BIN IT!

The Town Council are forever receiving complaints from residents concerned about the amount of Dog poo which is not picked up by dog owners. It is an offence not to pick up and responsibly dispose of your dog's waste – You could be looking at a fine of up to £75.00, under the Public Spaces Protection Orders if you don't!

The Town Council are advising all residents to stay vigilant and report any know culprits to the Dog Wardens at East Riding of Yorkshire Council (ERYC) – who I can tell you are very proactive!

The Council also receive complaints of dog waste bags being slung into bushes and trees – to hang there forever- The Town Council are funding and placing litter bins around Hesse, in an effort to put a stop to this activity!

If you have any suggestions for litter bins – please contact the Council and they will consider the request. The Town Council also have the Doggy 'Clean it up' stencils and yellow paint to borrow – just pop into the office.

DOGS ON LEADS / DOG EXCLUSION

The Town Council have received complaints that some owners are failing to comply with the Public Space Protection Orders, allowing their dogs to be off leads in church yards and cemeteries and to enter children's play areas – which are dog exclusion zones.

Areas covered by Public Space Protection Orders are clearly identified with signage and further information can be obtained from East Riding of Yorkshire Council, visit www.eastriding.gov.uk or telephone 01482 393939. Failure to comply with Public Spaces Protection orders may result in a £75.00 fine.

HESSLE TOWN COUNCIL

Town Hall, South Lane, Hessle, East Yorkshire, HU13 0RR
