

I so enjoyed my visit to Tranby Gate Woodland last year, that I was determined to come back and see you again. Sadly, 2021 has been a horrid year for lots of people, but the children of the world have all done their very best and I cannot remember when my 'good' list was so full!

The elves and I have had to make and parcel up so many more toys and presents this year, that I haven't had time for all the visits I'd hoped to make before Christmas Eve. So Santa cannot make his trip to Tranby Gate this year to see all you lovely children in Hessle.

But I wish you and your family a very happy Xmas and don't forget, be good for Mummy and Daddy and I'll be there on Xmas Eve.

With love from your very good friend,
Santa x
