

## POLICY - GRITTING ON ALLOTMENT SITES MANAGED BY HESSLE TOWN COUNCIL

Gritting will **NOT** be undertaken on any area within the allotment sites managed by Hessle Town Council namely Boothferry Road, Ferriby Road and Tower Hill.

The allotment sites do not benefit from man made paths and gritting is therefore not practical or achievable. Nor does the Council have sufficient manpower to undertake this.

Posters will be displayed to notify tenants and visitors of this policy, they will be requested to take adequate precautions ,as would be reasonable to expect of any individual.
